2 Q What's the reference to other car  
3 washes, is that to Tenaflly?

4 A Excuse me?

5 Q It says keeping stock of all parts  
6 used by us and other car washes, is that a  
7 reference to Tenaflly?

8 A To all the car washes.

9 Q Tenaflly, Pearl River, Northvale?

10 A If they needed parts in an emergency  
11 and we had it, I would get them the part.

12 Q But one of operations manager's job  
13 was to keep stock of the parts used by all four  
14 car washes?

15 A No. Not used by the car washes. If  
16 somebody came in for a part, I just write down  
17 what they took, so I would know what they took  
18 so I could reorder.

19 Q If someone came in from any of the  
20 other three car washes?

21 A Right, if they ran in to get a part,  
22 just write down what they took and give it to  
23 me so I know what they took.

24 Q Now, you also managed the Tenaflly car  
25 wash?
